

OSTEOSET®

Bone Graft Substitute

Surgical Grade Calcium Sulfate

WRIGHT.

OSTEOSET[®]

BONE GRAFT SUBSTITUTE INJECTOR

PRECISION PLACEMENT INSTRUMENTS

The disposable OSTEOSET[®] Injector delivers precise, efficient placement of OSTEOSET[®] Pellets. Pre-loaded and presterilized, the injector provides the ideal mechanism for the careful placement of each pellet to facilitate bone growth and a successful clinical outcome.
